

REPUBLICAN  
A Convention Held at Springfield, Mass., to Re-nominate Part of the Old Ticket.

SPRINGFIELD  
Massachusetts Rep. met here this morning to elect a temporary committee. The committees were appointed. Senator Hoar was elected permanent President and made a long address, in which he ridiculed those who charged the Republican party with having the "Bloody Shirt," and especially defended John Sherman from such a charge. He stated the only legislation the Democratic party had originated and carried through in twenty-five years was the Bland Silver bill. He commended some of the acts of President Cleveland and many of his words in regard to Civil Service Reform, but said the administration must be judged by its acts and not its words. The platform adopted reaffirms its adherence to the principles of freedom, equity and National supremacy and liberal constitution upon which the party was founded; renews its pledges to the soldiers and sailors of the war, that shall be done for them and their heirs that justice and gratitude demand; demands the prompt enactment by Congress of a general bankrupt law substantially as passed by the Senate during the last Congress; demands the immediate and unconditional suspension of the coinage of the over value of silver dollars; urges a vigorous enforcement of the Edmunds law in Utah, with the passage of such amendment as will give it increased efficiency and encouragement of the tory with law-abiding citizens; gives to the Civil Service Act its hearty approval; demands the extension of the principles of that act to all business officers of the government and the repeal of the four-years' tenure law; favors any reforms, revisions or reductions in customs duties which will benefit labor or other industries; pledges continued support to the firm maintenance of the protective principle which prevents the displacement in our home markets of American by foreign products, with a consequent diminution of employment and which also guards us from competition that would result in the favor of American workmen being regulated by the standard which foreign manufacturers would dictate.

Following are the nominations: Robinson was renominated for Governor, Oliver Ames for Lieutenant Governor and Henry B. Pierce for Secretary of State, by acclamation. A. W. Board, of Boston, for State Treasurer and Receiver-General. Charles R. Ludd was renominated for Auditor and Edgar L. Sherman for Attorney-General. All received a unanimous vote.
